Match Report

80 Players arrived at Selborne on a fairly warm humid day – an excellent turn out! These included Andrew Blades, our guest from one of our main sponsors, Bridge Asset Management, as well as the local Captain, Billy Pritchard, and 4 provisional list players.

A few forgetful members got out their wallets at the reception table, but everyone was delighted that there was no cash competition fee, as these have been billed up front for 2018.

The course was in great condition. The greens were not pretty to look at, but putting was true and the scores were very good. The weather held, despite a threatening storm late in the afternoon and the air conditioning in the pub was a welcome relief after a great day's golf.

An old man lay awkwardly sprawled across three entire seats in the movie theatre. When the usher came by and noticed this, he whispered to the old man, "Sorry sir, but you're only allowed one seat."
The old man didn't budge.

The usher became more impatient: "Sir, if you don't get up from there I'm going to have to call the manager." Once again, the old man just muttered and did nothing.

The usher marched briskly back up the aisle, and after a few minutes he returned with the manager, Together, the two of them tried repeatedly to move the man, but with no success.

Finally, they summoned the police. The police officer surveyed the situation briefly then asked, "OK, buddy, what's your name?"

"Joe", the old man moaned.

The officer then asked Joe where he is from.

With a terrible strain in his voice, and without moving, Joe replied "the balcony".
